P.C.

1. Heard both sides.

2. Perused the application. The Civil Application is for condonation of delay of 32 days. The respondent seriously objected it and ultimately submitted that cost of Rs.5000/- be granted. Shri Lokesh submitted that the cost of Rs.1000/-be imposed for condoning the delay. Taking into consideration the facts and circumstances of the case and more specifically the applicant is S.T.Corporation wherein the delay caused on account of the conduct of the officers is required to be explained. We, therefore, find

in the facts of the case that the cost of Rs.3000/- would be proper and appropriate. Therefore, we condone the delay on payment of cost of Rs.3000/- to be paid tothe respondent within a period of four weeks.

3. Civil Application is disposed of.
